TO ALL INTERESTED PARTIES:

Enclosed is a summary of bills introduced in the first year of the 2009-10 legislative session that impact local government. The summary includes a brief description and final status of all bills, divided into five main categories: Land Use and Housing; Local Government Finance; Local Powers and Duties; Open Meetings & Conflict of Interest; and, Special Districts. For quick and easy reference, please see the table of contents in the front of this document or the index located at the end.

Bills marked with an asterisk (*) were amended and subsequently utilized as vehicles for other bill proposals, some of which stayed within the Committee's jurisdiction. Bills marked with a double asterisk (**) are related to the topic areas of this Committee, but were not referred to the Committee.

Additional information regarding this summary can be obtained through the committee office at (916) 319-3958.

Sincerely,

A handwritten signature in black ink, appearing to read "Anna M. Caballero", with a long horizontal flourish extending to the right.

Anna M. Caballero, Chair
Assembly Local Government Committee

ASSEMBLY LOCAL GOVERNMENT COMMITTEE 2009 LEGISLATIVE SUMMARY

(Bills marked with an asterisk () were amended and subsequently utilized as vehicles for other bill proposals, some of which stayed within the Committee's jurisdiction. Bills marked with a double asterisk (**) are related to the topic areas of this Committee, but were not referred to the Committee.)*

LAND USE AND HOUSING

AB 45 (Blakeslee) Distributed generation: small wind energy systems.
Reenacts a lapsed authorization for local governments to provide, by ordinance, for the installation of small wind energy systems, as defined, and requires local governments that have not provided such authorization by a specified date to approve applications for small wind energy systems by right if certain conditions are met by the applicants.
Status: Chapter 404, Statutes of 2009

AB 55 (Jeffries) Water supply planning.
Revises definition of "project" to provide that specified business, commercial, hotel or motel, industrial, manufacturing, and mixed-use developments are within the scope of that definition only if the projected water demand of the development would be equivalent to, or greater than, the amount of water required by a 500 dwelling unit project, as determined by the public water system. **Status:** *Referred to Assembly Committees on Water Parks and Wildlife and Local Government.*

AB 133 (Smyth) Subdivisions: major thoroughfares.
Authorizes a local agency to establish a fund for a benefit area that covers all of the bridge and major thoroughfare projects in that benefit area when that benefit area is one in which more than one bridge or major thoroughfare is required to be constructed. The definition of "construction" would be expanded to include the unincorporated area of Los Angeles County for purposes of design, acquisition of rights-of-way, actual construction, and reasonable administrative expenses, as specified. **Status:** *Referred to Assembly Local Government Committee. In committee: Set, first hearing. Hearing canceled at the request of author.*

AB 300 (Caballero) Subdivisions: water supply.
Requires, until January 1, 2017, if a project applicant elects to include voluntary demand management measures, any city, county, or public water system preparing a water supply assessment for a development project, as defined, to reduce the anticipated water demand for the project based on the project applicant's voluntary water demand management measures.
Status: *In Senate Natural Resources and Water Committee: Set, first hearing. Testimony taken. Further hearing to be set.*

AB 333 (Fuentes) Land use: subdivision maps: expiration dates.

Extends the expiration date by 24 months for specified subdivision maps that will expire before January 1, 2012, and for any legislative, administrative or other approval by a state agency relating to a development project in the subdivision.

Status: Chapter 18, Statutes of 2009

AB 338 (Ma) Transit village developments: infrastructure financing.

Would have allowed local officials to divert property tax increment revenues to pay for public facilities and amenities within transit village development districts.

Status: Vetoed

AB 408 (Saldaña) Local planning: water supplies.

Requires the local planning agency to additionally notify the California regional water quality control board servicing the area before adopting or amending the general plan. Requires the regional board, upon receiving this notice, to provide the local planning agency with certain information regarding implementation of low-impact development water management to increase local water supplies by increasing stormwater recharge and reuse. **Status: Referred to Assembly Committees on Local Government and Water, Parks and Wildlife. In Local Government Committee: Set, first hearing. Hearing canceled at the request of author.**

AB 444 (Caballero) Land use: natural resources: transfer of long-term management funds.

Would have clarified that funds set aside for long-term management of mitigation lands conveyed to a nonprofit organization may also be conveyed to the nonprofit, and authorizes the nonprofit to hold, manage, invest, and disburse the funds for management and stewardship of the land or easement for which the funds were set aside.

Status: Vetoed

AB 473 (Blumenfield) Solid waste: recycling: multifamily dwellings.

Would have required, on and after July 1, 2010, an owner of a multifamily dwelling to provide recycling services.

Status: Vetoed

AB 494 (Caballero) Local planning: agricultural laborer housing.

Exempts from the Subdivision Map Act the lease of agricultural zoned land to nonprofit organizations for the purpose of operating an agricultural labor housing project if the property meets three conditions: (1) the property is not more than five acres; (2) the lease is for at least 30 years; and (3) the lease is signed before January 1, 2017.

Status: Chapter 447, Statutes of 2009

AB 558 (Portantino) Land use planning: housing element: foster youth placement.

Allows a city to reduce its regional housing need allocation (RHNA) by up to 10% if it adopts a program to actively promote and assist in the placement of foster youth in existing family-based households. **Status: Referred to Assembly Committees on Local Government and Housing and Community Development. In Housing and Community Development Committee: Set, first hearing. Hearing canceled at the request of author.**

AB 566 (Nava) Mobilehome parks: conversion.

Would have allowed a local government to consider the level of support among current residents when deciding whether to approve or disapprove the conversion of a rental mobilehome park to resident ownership.

Status: Vetoed

AB 594 (Harkey) Land use: housing element.

Authorizes the Department of Housing and Community Development to allow a city, county, or city and county to substitute the provision of units for up to 50% of its site identification obligation if it includes in its housing element a program to provide units within the city or county in any income category that will be made available to low- and very-low income households through the provision of committed assistance, as defined. **Status:** *Re-referred to Assembly Committees on Local Government and Housing and Community Development.*

AB 596 (Evans) Community planning grants.

Establishes the Community Planning Grant and Loan Fund (Fund) and authorizes the Strategic Growth Council to expend the revenues in the Fund, upon appropriation by the Legislature, to carry out the Community Planning Grant and Loan Program established under this measure.

Status: *In Assembly Appropriations Committee: Set, second hearing. Held under submission.*

AB 650 (Hill) Real property: City of Half Moon Bay.

Directs the state to loan \$10 million to the City of Half Moon Bay to assist in the purchase of the Beachwood Property. **Status:** *Re-referred to Assembly Appropriations Committee pursuant to Assembly Rule 77.2.*

AB 666 (Jones) Subdivision maps.

Would have required the legislative body of a county to make three specified findings before approving a tentative map or a parcel map for an area located in a state responsibility area or a very high fire hazard severity zone as designated by the Department of Forestry and Fire Protection.

Status: Vetoed

AB 694 (Saldaña) Tidelands and submerged lands: City of San Diego.

Would have repealed Chapter 642 of the Statutes of 1929 which removed the "tidelands" designation on all land shoreward of the bulkhead in City of San Diego and declared them to be free from all public trusts and restrictions.

Status: Vetoed

AB 720 (Caballero) Land use: housing element.

Expands the timeline for a local government to provide committed assistance for the rehabilitation of affordable housing units.

Status: Chapter 467, Statutes of 2009

AB 782 (Jeffries) Regional transportation plans: sustainable communities strategies.
Prohibits judicial review of specified Air Resources Board and local government decisions related to greenhouse gas emissions and land use and expands specified California Environmental Quality Act (CEQA) exemptions which are currently available only to a residential project to any project. **Status:** *Referred to Assembly Committees on Natural Resources and Local Government. In Natural Resources Committee: Set, first hearing. Hearing canceled at the request of author.*

AB 810 (Caballero) Circulation and transportation element.
Renames the circulation element in local general plans as the circulation and transportation element and makes the same change in seven other statutes that contain cross-references to the circulation element. **Status:** *Referred to Senate Local Government Committee.*

AB 853 (Arambula) Local government: organization.
Establishes a process for the annexation of unincorporated fringe or island communities into a city. **Status:** *Referred to Senate Committees on Local Government and Rules.*

AB 1042 (Carter) Local government: school siting and improvement.
Requires the governing board of a school district to comply with any city or county ordinance regulating drainage improvements and conditions, regulating road improvements or conditions, requiring the review or approval of grading plans, or requiring sidewalk improvements as these ordinance provisions relate to the design and construction of onsite improvements which affect drainage, road conditions, grading, or pedestrian access. **Status:** *Referred to Assembly Committees on Local Government and Education.*

AB 1084 (Adams) Local planning: development projects: fees.
Provides a time frame for notice relating to an increase or change in fees levied under the Mitigation Fee Act and establishes procedures for requesting an audit of those fees. **Status:** **Chapter 507, Statutes of 2009**

AB 1098 (Hagman) Natural resources: resource conservation: Chino Agricultural Preserve.
Authorizes the County of San Bernardino to exchange property it owns within the Chino Agricultural Preserve that was purchased with those bond funds under the same conditions. The bill would revise one of those conditions to alternatively require the property received in an exchange and all the proceeds from a sale to be used for the improvement, operation, and maintenance of existing or replacement land within the Chino Agriculture Preserve. **Status:** *Referred to Assembly Committees on Local Government and Agriculture. In Local Government Committee: Set, first hearing. Hearing canceled at the request of author.*

AB 1109 (Blakeslee) The Cortese-Knox-Hertzberg Act of 2000.
Authorizes a local agency formation commission (LAFCO) to order the administration of nonperforming districts, and requires a LAFCO to prepare a performance study, as specified. **Status:** *Referred to Assembly Local Government Committee. In committee: Set, first hearing. Hearing canceled at the request of author.*

AB 1158 (Hayashi) Transit village plan.

Would have added the characteristic of other land uses, including educational facilities that provide direct linkages for people traveling to and from primary and secondary education schools, community colleges, and universities, to the list of specified characteristics that a transit village plan may address.

Status: Vetoed

AB 1232 (Huffman) Local agency formation commissions: powers and duties.

Allows the Marin County Local Agency Formation Commission to initiate and approve, after notice and hearing, a reorganization or consolidation of the Sewerage Agency of Southern Marin and its member districts, without protest hearings.

Status: Chapter 518, Statutes of 2009

AB 1331 (Duvall) Subdivision map approval: validity of map.

Provides that the filing of a final or parcel map by the county recorder constitutes the final act in obtaining the right to subdivide according to the terms of the final or parcel map.

Status: Referred to Assembly Local Government Committee.

AB 1408 (Krekorian) Subdivisions: Water Demand Mitigation Fund.

Establishes a Water Demand Mitigation Fund (Fund) that a public water system may authorize a subdivision project applicant to voluntarily contribute to in order to offset at least 100% of the projected water demand associated with the subdivision, and requires all monies in the Fund to be expended on water conservation measures that will offset at least 100% of the subdivision's projected water demand. **Status: To Assembly Inactive File on motion of Assembly Member Krekorian.**

AB 1582 (Local Government) Local agencies: spheres of influence.

Makes several minor, non-controversial changes to the laws affecting local government organization and reorganization.

Status: Chapter 155, Statutes of 2009

AB 81 (3rd Ex. Sess.) (Hall) Land use: City of Industry: stadium complex. **

Exempts from the California Environmental Quality Act (CEQA) activities associated with development and operation of a stadium complex in the City of Industry, as specified, and further exempts actions taken by the City of Industry from any legal requirements concerning a general plan, or consistency with a general plan, as specified.

Status: Chapter 30, Statutes of 2009-10 Third Extraordinary Session

SB 93 (Kehoe) Redevelopment: payment for land or buildings.

Distinguishes between the public works projects that a redevelopment agency can finance inside and contiguous to redevelopment project areas and the public works projects that an agency can finance outside project areas.

Status: Chapter 555, Statutes of 2009

SB 215 (Wiggins) Local government: organization.
Adds a regional transportation plan to the list of factors that local agency formation commissions (LAFCOs) must consider before making boundary decisions.
Status: Chapter 570, Statutes of 2009

SB 326 (Strickland) Land use: housing element.
Allows, within the first year of the planning period of the new housing element, for the identification of adequate sites to accommodate the unaccommodated portion of the regional housing need from the prior planning period. **Status: Referred to Assembly Committees on Local Government and Housing and Community Development. In Local Government Committee: Set, first hearing. Hearing canceled at the request of author.**

SB 406 (De Saulnier) Land use: environmental quality.
Would have authorized an additional fee of \$1 or \$2 on vehicle registrations through an existing fee mechanism, and proposes new duties, membership, and funding for the Strategic Growth Council (SGC) and the Planning Advisory and Assistance Council (PAAC).
Status: Vetoed

SB 430 (Dutton) Redevelopment: County of San Bernardino: disaster recovery project area.
Extends the County of San Bernardino Redevelopment Agency's Cedar Glen Disaster Recovery Project Area's time limit from 10 years to 15 years for the plan's effectiveness.
Status: Chapter 13, Statutes of 2009

SB 457 (Wolk) Sacramento-San Joaquin Delta.
Reforms the Delta Protection Commission to conform with other changes to delta resource management and governance. **Status: Referred to Assembly Committees on Water, Parks and Wildlife and Local Government. In Water, Parks and Wildlife: Set, second hearing. Further hearing to be set.**
