TO ALL INTERESTED PARTIES:

Enclosed is a summary of bills introduced in the 2009-10 legislative session that impact local government. The summary includes a brief description and final status of all bills, divided into five main categories: Land Use and Housing; Local Government Finance; Local Powers and Duties; Open Meetings & Conflict of Interest; and, Special Districts. For quick and easy reference, please see the table of contents in the front of this document or the index located at the end.

Bills marked with an asterisk (*) were amended and subsequently utilized as vehicles for other bill proposals, some of which stayed within the Committee's jurisdiction. Bills marked with a double asterisk (**) are related to the topic areas of this Committee, but were not referred to the Committee.

Additional information regarding this summary can be obtained through the committee office at (916) 319-3958.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Smyth', written in a cursive style.

ASSEMBLY LOCAL GOVERNMENT COMMITTEE

2009-10 LEGISLATIVE SUMMARY

(Bills marked with an asterisk () were amended and subsequently utilized as vehicles for other bill proposals, some of which stayed within the Committee's jurisdiction. Bills marked with a double asterisk (**) are related to the topic areas of this Committee, but were not referred to the Committee.)*

LAND USE AND HOUSING

AB 45 (Blakeslee) Distributed generation: small wind energy systems.

Reenacts a lapsed authorization for local governments to provide, by ordinance, for the installation of small wind energy systems, as defined, and requires local governments that have not provided such authorization by a specified date to approve applications for small wind energy systems by right if certain conditions are met by the applicants.

Status: Chapter 404, Statutes of 2009

AB 55 (Jeffries) Water supply planning.

Would have revised the definition of "project" to provide that specified business, commercial, hotel or motel, industrial, manufacturing, and mixed-use developments are within the scope of that definition only if the projected water demand of the development would be equivalent to, or greater than, the amount of water required by a 500 dwelling unit project, as determined by the public water system. **Status:** *Referred to Assembly Committees on Water, Parks and Wildlife and Local Government. From Water, Parks and Wildlife Committee: Filed with the Chief Clerk pursuant to Joint Rule 56.*

AB 133 (Smyth) Subdivisions: major thoroughfares.

Expands the use for which a fee charged by Los Angeles County in the unincorporated areas as a condition of final map approval or building permit issuance to defray the cost of constructing bridges or major thoroughfares to include additional costs.

Status: Chapter 33, Statutes of 2010

AB 300 (Caballero) Subdivisions: water supply.

Would have required, until January 1, 2017, if a project applicant elects to include voluntary demand management measures, any city, county, or public water system preparing a water supply assessment for a development project, as defined, to reduce the anticipated water demand for the project based on the project applicant's voluntary water demand management measures.

Status: *In Senate Natural Resources and Water Committee: Set, first hearing. Testimony taken.*

AB 333 (Fuentes) Land use: subdivision maps: expiration dates.

Extends the expiration date by 24 months for specified subdivision maps that will expire before January 1, 2012, and for any legislative, administrative or other approval by a state agency relating to a development project in the subdivision.

Status: Chapter 18, Statutes of 2009

AB 338 (Ma) Transit village developments: infrastructure financing.
Would have allowed local officials to divert property tax increment revenues to pay for public facilities and amenities within transit village development districts.
Status: Vetoed

AB 408 (Saldaña) Local planning: water supplies. *
Would have required (1) the local planning agency to additionally notify the California regional water quality control board servicing the area before adopting or amending the general plan; and, (2) the regional board, upon receiving this notice, to provide the local planning agency with certain information regarding implementation of low-impact development water management to increase local water supplies by increasing stormwater recharge and reuse. **Status: Referred to Assembly Committees on Local Government and Water, Parks and Wildlife. In Local Government Committee: Set, first hearing. Hearing canceled at the request of author.**

AB 444 (Caballero) Land use: natural resources: transfer of long-term management funds.
Would have (1) clarified that funds set aside for long-term management of mitigation lands conveyed to a nonprofit organization may also be conveyed to the nonprofit; and, (2) authorized the nonprofit to hold, manage, invest, and disburse the funds for management and stewardship of the land or easement for which the funds were set aside.
Status: Vetoed

AB 473 (Blumenfield) Solid waste: recycling: multifamily dwellings.
Would have required, on and after July 1, 2010, an owner of a multifamily dwelling to provide recycling services.
Status: Vetoed

AB 494 (Caballero) Local planning: agricultural laborer housing.
Exempts from the Subdivision Map Act the lease of agricultural zoned land to nonprofit organizations for the purpose of operating an agricultural labor housing project if the property meets three conditions: (1) the property is not more than five acres; (2) the lease is for at least 30 years; and, (3) the lease is signed before January 1, 2017.
Status: Chapter 447, Statutes of 2009

AB 558 (Portantino) Land use planning: housing element: foster youth placement. *
Would have allowed a city to reduce its regional housing need allocation by up to 10% if it adopts a program to actively promote and assist in the placement of foster youth in existing family-based households. **Status: Referred to Assembly Committees on Local Government and Housing and Community Development. In Housing and Community Development Committee: Set, first hearing. Hearing canceled at the request of author.**

AB 566 (Nava) Mobilehome parks: conversion.
Would have allowed a local government to consider the level of support among current residents when deciding whether to approve or disapprove the conversion of a rental mobilehome park to resident ownership.
Status: Vetoed

AB 594 (Harkey) Land use: housing element.

Would have authorized the Department of Housing and Community Development to allow a city, county, or city and county to substitute the provision of units for up to 50% of its site identification obligation if it includes in its housing element a program to provide units within the city or county in any income category that will be made available to low- and very-low income households through the provision of committed assistance, as defined.

Status: *Referred to Assembly Committees on Local Government and Housing and Community Development. From Local Government Committee: Filed with the Chief Clerk pursuant to Joint Rule 56.*

AB 596 (Evans) Community planning grants.

Would have established the Community Planning Grant and Loan Fund and authorized the Strategic Growth Council to expend the revenues in the Fund, upon appropriation by the Legislature, to carry out the Community Planning Grant and Loan Program established under this measure. **Status:** *From Assembly Appropriations Committee: Filed with Chief Clerk pursuant to Joint Rule 56.*

AB 602 (Feuer) Land use and planning: cause of actions: time limitations.

Would have revised the statute of limitations and remedies for specified housing-related challenges.

Status: Vetoed

AB 650 (Hill) Real property: City of Half Moon Bay.

Would have directed the state to loan \$10 million to the City of Half Moon Bay to assist in the purchase of the Beachwood Property. **Status:** *Re-referred to Assembly Appropriations Committee pursuant to Assembly Rule 77.2. From Committee: Filed with Chief Clerk pursuant to Joint Rule 56.*

AB 666 (Jones) Subdivision maps.

Would have required the legislative body of a county to make three specified findings before approving a tentative map or a parcel map for an area located in a state responsibility area or a very high fire hazard severity zone as designated by the Department of Forestry and Fire Protection.

Status: Vetoed

AB 694 (Saldaña) Tidelands and submerged lands: City of San Diego.

Would have repealed Chapter 642 of the Statutes of 1929 which removed the "tidelands" designation on all land shoreward of the bulkhead in City of San Diego and declared them to be free from all public trusts and restrictions.

Status: Vetoed

**AB 711 (Calderon) Local agency formation commissions (LAFCO):
cost of incorporation proceedings.**

Loans \$45,000 from the Environmental Enhancement and Mitigation Program Fund to the Los Angeles County LAFCO to cover costs related to incorporation proceedings by the East Los Angeles Residents Association.

Status: Chapter 25, Statutes of 2010

AB 720 (Caballero) Land use: housing element.

Expands the timeline for a local government to provide committed assistance for the rehabilitation of affordable housing units.
